Chiara Di Vece <chiara.divece@mail.polimi.it>

Federica Gabriella Loizzo <federicagabriella.loizzo@mail.polimi.it>

Marina Gnocco <mariagnocco@mail.polimi.it>

POLITECNICO DI MILANO

**Filippo  
Bracco**

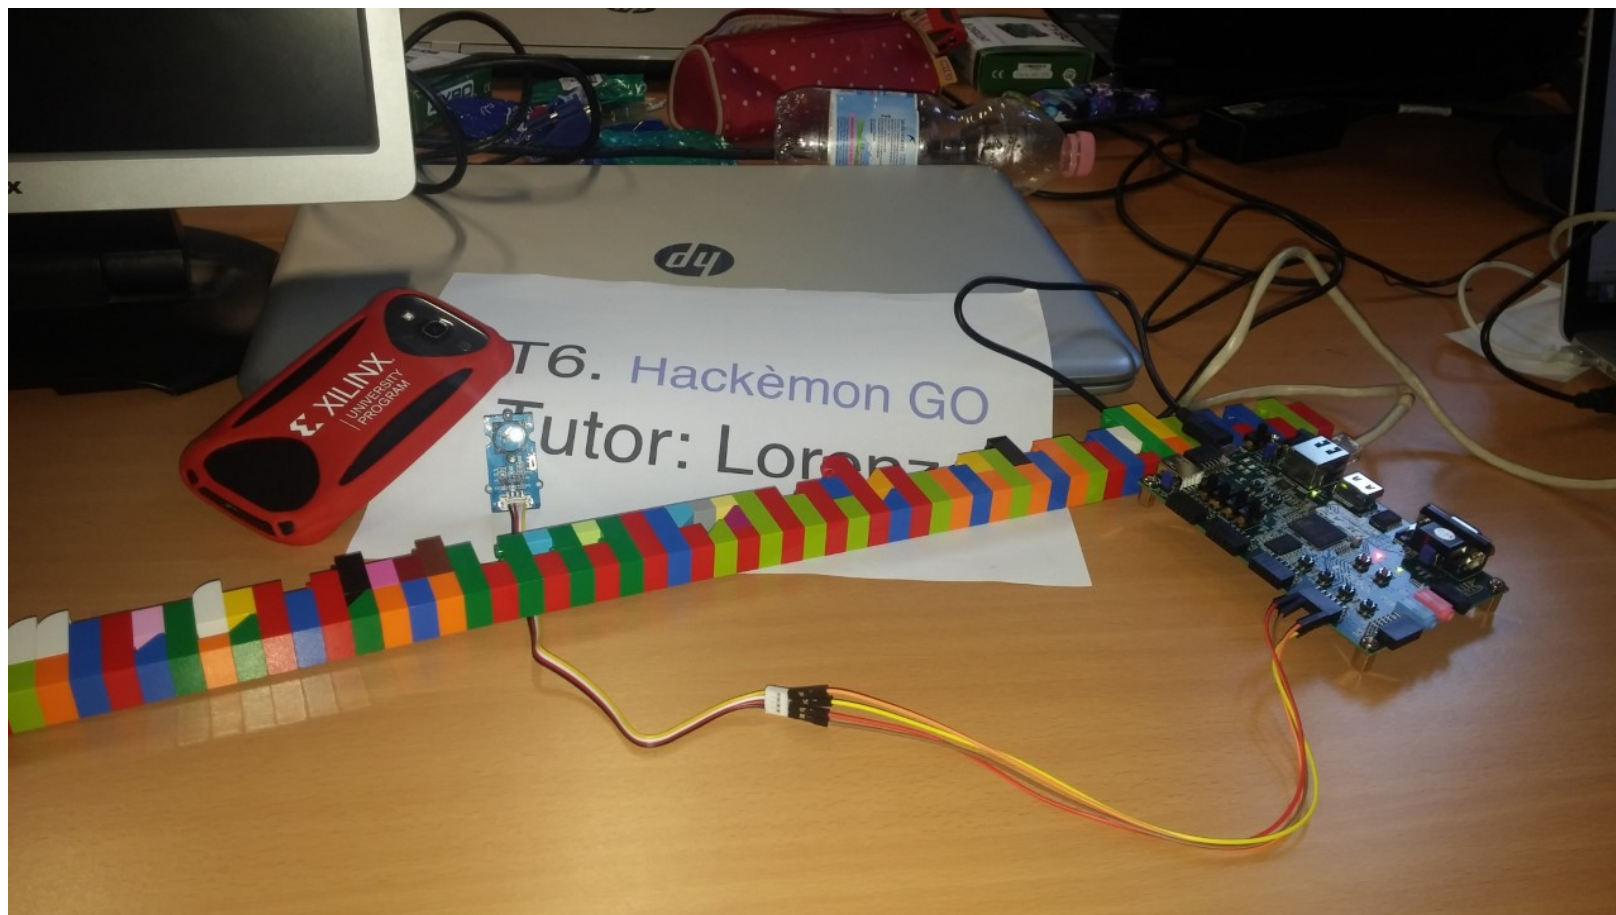

**Chiara  
Di Vece**

**Marina  
Gnocco**

**Federica  
Loizzo**

**Bachelor students in Bioengineering**

# Recognition (through Colours) of woRDS

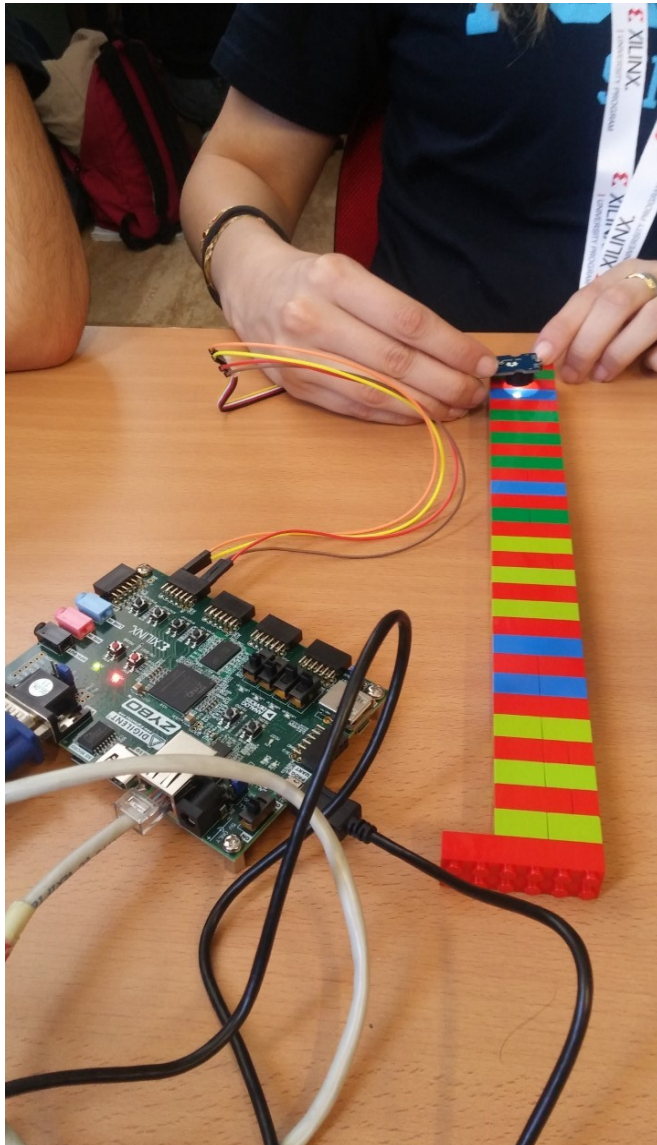

1- Truth Machine

2- Box Inception

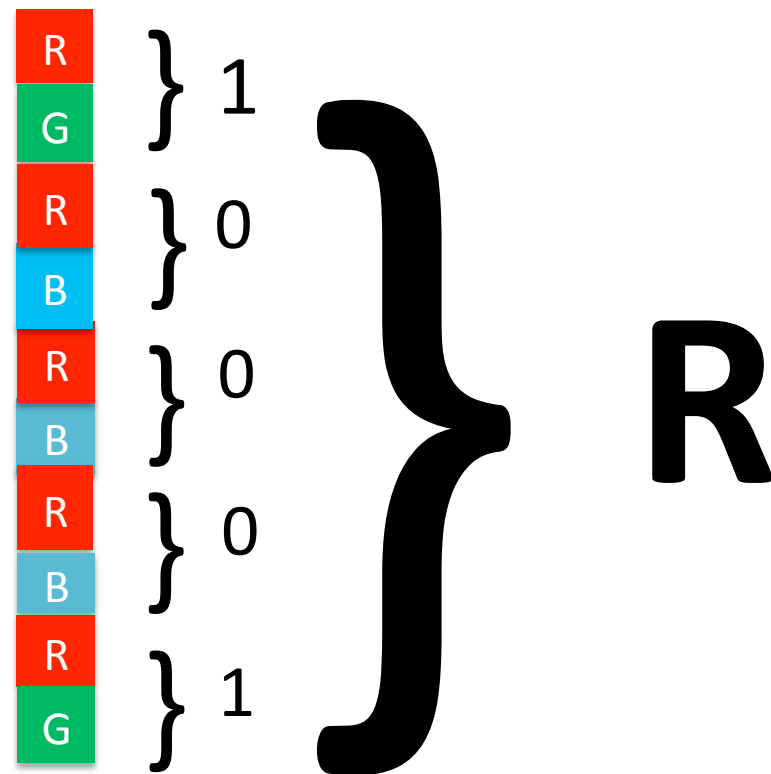

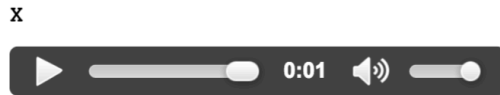

- 10 lego = 5 bit
- 5 bit = 1 letter

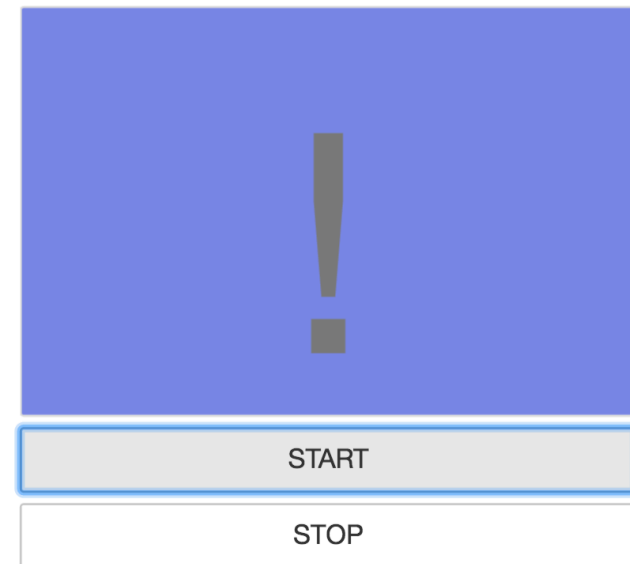

The letter recognized is displayed on desktop and reproduced with an audio output

The combination of colours that don't correspond to a letter generate a message of error

Thanks for your attention.
